## Competency-Based Learning Series Agenda for Seminar IV: June 12 - 13, 2016

### Series Outcomes:

- Team members will be ready to lead the implementation of competency-based learning.
- The district teams will be prepared to design and plan professional development regarding competency-based learning within the 2015/16 school year.
- We will develop a network of support across the state of Colorado to enact a vision and implement a system of learning that supports personalization through competency-based learning and multiple and flexible pathways.

### Seminar Outcomes:

- Identify the instructional and school strategies that best represent competency-based learning
- Explore the importance of community engagement in school change
- Advance and refine action plans incorporating the tools and resources acquired over our year-long partnership.
