One Round: (10 min)

1. First person shares summary of session highlights; implications for team’s plans. (3 min)
2. Clarifying questions from the team. (2 min)
3. Open conversation: (5 min)
   - Warm feedback: to what extent do these ideas hold promise for enhancing students’ learning?
   - Cool feedback: what challenges do these ideas present for our context?

Successive Rounds:
- As above, until all team members have shared workshop session “Take-Aways”

Summary:
- Which ideas seem to be the highest leverage for impacting student learning in our context?
