

Instruction in a Personalized Learning Classroom

Presenters

Courtney Jacobs, Senior Associate, Great Schools Partnership | cjacobs@greatschoolspartnership.org

Michelle Milstein, Senior Associate, Great Schools Partnership | mmilstein@greatschoolspartnership.org

Outcomes

1. Participants will examine instructional practices, classroom structures, and lesson designs that support personalized learning
2. Participants will wrestle with personalized learning scenarios and identify key moves to transition from a teacher-centered to a student-centered environment

Agenda

Welcome and Review of the Agenda

Overview and Self-Assessment

What Is Personalized Learning?

Learner Centered Continuum in the Classroom

Personalized Learning in the Classroom Scenarios
