

**Resolution Regarding the Shared Goals  
of the New England Secondary School Consortium and  
the New England Alliances for College and Career Readiness**

**WHEREAS**, the states of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont have formed the New England Secondary School Consortium as a regional partnership focused on closing achievement gaps and increasing college and career readiness for all students across the region; and

**WHEREAS**, the Alliances for College and Career Readiness in Connecticut, Maine, New Hampshire, Rhode Island, and Vermont have formed the New England Alliances for College and Career Readiness and collectively and individually have developed with a similar commitment to ensure that all students are prepared for the futures of their choosing; and

**WHEREAS**, a public commitment to those broad aims ensures the alignment and eventual success of our efforts on behalf of our students, their educations, and the workforce of New England; it is, therefore

**OUR COLLECTIVE WILL** as the conveners of these endeavors to support and pursue these aims, keeping each other apprised of our efforts and publicly reporting on our progress toward our goals.

**SO RESOLVED**, by the coordinating organizations of the New England Secondary School Consortium and the New England Alliances for College and Career Readiness.
